

Lambert & Butler bosses lobby Health Bill Committee

18th June 2009

Health charities and the tobacco industry have submitted evidence to the committee considering the Health Bill, week beginning 22nd June. Although the rules require that they "should generally include only material specifically prepared for the Committee", industry submissions appear to be substantially recycled from previous briefings. [Read what the industry has been telling MPs.](#)

The MPs on the Committee are:

- [Gillian Merron](#) Government Minister, Lincoln
- [Mike O'Brien](#) Government Minister, North Warwickshire
